~~SALES AND WANTS~~ CONNECT

We have been working on an online version of our 'Sales and Wants' column and hope to launch it in the next few months. It will be called 'Connect', and will be available to members only. You have to sign up for it in advance by going to: <http://eepurl.com/bwjmDr>. Unlike the version printed in The Magic Lantern, descriptions can be much longer and more detailed, with photographs. We may also take entries from organisations that are not members of the Society and members of the public. All the entries will be anonymous but each will have an ID code, so you can find the e-mail address of the sellers via the Members Only section of the website. It is important to the success of this venture that we send 'Connect' to as many members as possible, so please sign up as soon as you can.

A MILLION PICTURES UPDATE

The first major event organised by the project 'A Million Pictures: Magic Lantern Slide Heritage as Artefacts in the Common European History of Learning', was held in Utrecht, 3-5 September. There were workshop presentations by a number of Society members, and lantern shows by Elisabeth Waagmeester and Gwen Sebus.

THE MAGIC LANTERN SOCIETY (KENT CHAPTER)

A regional meeting of Society members was held in Canterbury in July. The day was organised by Jeremy Brooker and included presentations by Nick Highley, Mervyn Heard and model theatre supremo Robert Poulter, as well as the first performance of 'Lamplighters' with musicians Richard Navarro and Nicholas Thurston.
