

A MAGIC LANTERN SHOW IN TANGIER

MLS member **Jerry Butler** is busy preparing a spectacular show in Tangier, Morocco, at Easter. The subject is 'Journey from Tangier to Palestine in the 19th Century'. Jerry is in talks with Abir el Abed, a famous Moroccan female singer who is keen to take part.

It will be a complete variety show with top professional musicians and a well-known dance troupe. The show will be at the Cinema Rif in Gran Socco, Tangier on Saturday 19 April 2025 – one not to miss if you are anywhere near. Contact Jerry direct for more details (before the event). He would also like to hear from anyone with slides of Gaza, Hebron, Jaffa, Haifa, Tiberius, etc., particularly places north of Jerusalem.
